Prepackaged Ice Cream Truck Requirements

1. Provide an approved freezer for ice cream storage.
2. Provide owner identification on two sides of the mobile food facility as follows:
 - a. Business name or name of operator in at least 3-inch letters
 - b. City, state and Zip code in at least 1-inch letters
 - c. Name of permittee (if different from the name of the food facility) in at least 1-inch letters.
 - d. All letters shall of a contrasting color to the mobile food facility.
3. The mobile food facility shall operate in conjunction with an approved commissary. Prepackaged ice cream trucks may utilize the facility where the ice cream is purchased as the commissary.
4. New Ice Cream trucks not currently under permit with this County that are occupied during normal business operations shall have a clear unobstructed height over the aisleway portion of the unit at least 74 inches from floor to ceiling, and a minimum of 30 inches of unobstructed horizontal aisle space.
5. Spare tires, related automotive equipment, or special tools shall be stored separate from food.
6. Provide a first aid kit and fire extinguisher.
7. All prepackaged ice cream must be properly labeled.
