

### **Informed Consent/Aftercare & Medical History (H&S Code Section 119303)**

- (a) Prior to the performance of body art, the client shall read, complete, and sign an informed consent form that shall include, but not be limited to, all of the following information:
  - 1) Description of procedure.
  - 2) Description of what the client should expect following the procedure, including suggested care and any medical complications that may occur as a result of the procedure.
  - 3) A statement regarding the permanent nature of body art.
  - 4) Postprocedure (aftercare) instructions that include all of the following:
    - (A) Information on the care of the procedure site.
    - (B) Restrictions on physical activities such as bathing, recreational water activities, gardening, or contact with animals, and the duration of the restrictions.
    - (C) Signs and symptoms of infections, including, but not limited to, redness, swelling, tenderness of the procedure site, red streaks going from the procedure site towards the heart, elevated body temperature, or purulent drainage from the procedure site.
    - (D) Signs and symptoms that indicate the need to seek medical care.

### **Medical Questionnaire**

- (b) Prior to the performance of body art, the client shall receive, complete, and sign a questionnaire that includes all of the following information:
  - 1) Whether the client may be pregnant.
  - 2) Whether the client has a history of herpes infection at the proposed procedure site, diabetes, allergic reactions to latex or antibiotics, hemophilia or other bleeding disorder, or cardiac valve disease.
  - 3) Whether the client has a history of medication use or is currently using medication, including being prescribed antibiotics prior to dental or surgical procedures.
  - 4) Other risk factors of blood borne pathogen exposure
- (c) This shall be considered confidential information and cannot be sold, shared, or transferred. The Body Art Facility shall comply with all state and federal laws with respect to the protection of a client's personally identifiable information, including, but not limited to, medical information, and shall be subject to existing penalties for violation of applicable laws. This information shall be shredded after two years from performing the body art procedure.
