Subject: RE: 25 E. Fifth Street, Watsonville - Proposed Deviation from Remedial Action Plan

Hello Jered,

The CSCEHD has reviewed your "Proposed Deviation from Remedial Action Plan" dated October 4, 2017, which is the result of the presence of large unexpected concrete slabs located in the planned excavation areas. Based on the information provided, our agency does not object to the proposed deviation and you may proceed with field activities accordingly. You are required to upload your "Proposed Deviation from Remedial Action Plan" to GeoTracker and notify me of the upload within 15 days.

Sincerely,

Scott E. Carson, PG, CEG
