Water Conservation Agreement

Water conservation measures reduce the load to your septic system, help it function better, and increase its life expectancy. Water conservation measures are required as a condition of approval for some types of systems and are required to be installed at the time of property transfer. For all properties in Santa Cruz County Please complete the Water Conservation Agreement which is required as a part of your Sewage Disposal Permit, (Limited Expansion, Low Flow, or Alternative System Acknowledgement) and recordation document.
