Drought Response Working Group Role

1. This group is a subcommittee of the County Water Advisory Commission (WAC)
2. The role of the WAC is to advise the County Board of Supervisors on issues relating to water
3. The WAC adopted the responsibility for implementing SB 552 and formed the Working Group to advise them
4. The scope of the Working Group is limited advising the WAC on the role the County can and should play in responding to drought impacts to:
 - a. Individual and shared private well owners
 - b. State small water systems
 - c. Advising, assisting Community Water Systems with SB 552 compliance
