PROPERTY OWNERS EXEMPTION STATEMENT

LICENSING REQUIREMENTS:

The State Business and Professions Code and the Santa Cruz County Code require that an individual be licensed by the State of California to install or perform work on water wells and individual sewage disposal systems.

The licensing requirement does not apply to a property owner performing work on his or her property or through employees with wages as their sole compensation, and provided the property is not sold or offered for sale within one year of the performed work. Work valued at less than \$100 is exempt from the licensing requirement. If you are a property owner meeting this definition, please complete the following statement:

"I AM THE PROPERTY OWNER OF RECORD AND PLAN TO OWN
THE STRUCTURE OR PROPERTY FOR ONE YEAR."

PROOF OF WORKERS COMPENSATION INSURANCE:

Section 3800 of the State Labor Code requires each applicant for a construction permit to file with the County proof of Workers Compensation Insurance. The only exceptions are permits for work valued less than \$100 or if the applicant certifies in writing that no person will be hired that is subject to the Workers Compensation laws of California. Please submit a "CERTIFICATE OF WORKERS COMPENSATION INSURANCE". Alternately, owner-builders not employing anyone may sign the following:

"I CERTIFY THAT IN THE PERFORMANCE OF THE WORK FOR WHICH
THIS PERMIT IS ISSUED, I SHALL NOT EMPLOY ANY PERSON
IN ANY MANNER SO AS TO BECOME SUBJECT TO THE WORKERS
COMPENSATION LAWS OF CALIFORNIA"
